## 101-405 INTERCHANGE PROJECT CLOSURES PLANNED

**LOS ANGELES** – The California Department of Transportation (Caltrans) will close one lane, northbound Sepulveda Boulevard, on Wednesday, June 1, from 10 a.m. to 4 p.m.

Additionally, the northbound San Diego Freeway (I-405) Ventura Boulevard off-ramp will be closed nightly on Wednesday, June 1 and Thursday, June 2, from 10 p.m. to 6 a.m.

Both closures are to perform clearing and grubbing operations in connection with a \$46 million improvement project at the 101/405 Interchange. The project involves extending the current auxiliary lane on northbound I-405 past the Greenleaf off-ramp to the U.S. 101 connector, permanently closing the loop on-ramp from eastbound Ventura Boulevard and constructing the Dickens Street bypass. Estimated completion is spring 2007.
